

The image shows two side-view technical drawings of a playground structure. The structure consists of a vertical post, a platform with a canopy, a slide, and a climbing net. The left drawing shows the structure from a side angle, with a vertical dimension line on the left indicating a height of 399 units. A horizontal dimension line on the right indicates a width of 180 units. The right drawing shows the structure from a different side angle, highlighting the climbing net and the platform area.
